Learn to create your own handcrafted hat. You will block a felt hood into the style of your choice, exactly sized to fit your head and features. This is a hands-on class where you learn the techniques, using the materials, and tools you need to create a finished hat from a pre-made felt hood. Hat blocks and steamer will be provided. You will need to purchase or bring a felt hood of your color choice.

MATERIALS TO BRING:

1. A felt hood (not white)
2. Push pins
3. Butchers string or cotton cord
4. Cotton cloth (old undyed sheet or flour sack towel)
3. Scissors
4. Basic sewing tools

Hat blocks and a steamer will be provided.

INSTRUCTOR: With a lifelong interest in sewing, weaving, and surface design, Jackie was thrilled to discover millinery in 1982. She focussed on learning as many ways of making hats as she could, and for 3 years she worked at the San Francisco Opera, where she honed her millinery skills working with designers from all over North America and Europe.

You can register by mail (visit our website for registration details and forms), by phone (510/843-7290), or at the LMLT shop, open Monday-Saturday Noon - 6:00.
