

A TWO DAY WORKSHOP
ABSTRACT STRAW HAT

Friday - Saturday, July 7-8, 2017

10:00 AM - 4:00 PM

with 1 hr lunch break

with **JAN WUTKOWSKI**

Fee: \$230.00

Learn unique ways to design, create and shape a straw hat form. The entire hat, made with high-end millinery straw, will be made without hat blocks and will offer each attendee a means of creating truly one-of-a-kind, wearable hats. Through the process of hand-manipulating straw pieces you will release organic shapes that are then assembled to striking effect. No millinery experience needed but some hand-sewing experience is helpful.

BRING

Straw parisial millinery hood (any color)

21 millinery wire (approx. 2 yards); Beading wire (32 gauge if possible); Thread to match straw

Utility block or styrofoam head or wig head

Embellishments (feathers, flowers, etc)

Variety of needles, scissor sewing machine (if possible), flat nose jewelry pliers

INSTRUCTOR: A favorite for many years at LMLT, Jan studied millinery at the Melbourne School of Millinery, has taught throughout the United States, England, France, Ireland and Australia with workshops at some of the most prestigious art and craft schools including John C. Campbell Folk School, Arrowmont School of Arts and Crafts, the Southwest School of Art, Mendicino Art Center and Australia's International Millinery Forum. Jan is one of the co-founders of Millinery Meet-up, a biennial millinery education event involving prominent millinery instructors from across the world and owner of **aMuse: artisanal finery**, a millinery studio in Wilmington, North Carolina.

You can register by mail, by e-mail (erin@lakis.com), by phone, or at the museum shop.
