

A SAMPLER CLASS ELEVATE YOUR EMBELLISHMENTS!

SATURDAY, OCT 23, 2021, 12:30 - 4:30

WITH **KIM VAN ANTWERP**

FEE: \$40.00 + [\$56.00 KIT FROM INSTRUCTOR]

AT THE LACIS MUSEUM OF LACE AND TEXTILES

LACISMUSEUM.ORG

This new class will offer an opportunity to create an eye-catching, one-of-a-kind sampler using special embellishment materials! You will be initiated into the world of Shrinkets plastic, a plastic that can be shaped into ruffles, cups, and saucer shapes. Shrinkets provide the perfect canvas for velvety rich color and fine detail when used with colored pencils. They're lightweight, colorful, and catch the light like stained glass. What more could you want in an art material?

The Class is suitable for all levels, ages 14 and up.

Included in the Kit:

Pearlized Linen Fabric, custom-made plume sequins, silk-wrapped wires, hand-painted ribbons, silk thread and beads. The kit will include enough to create more than one sampler.

The instructor will provide: Beading needles and thread, a heat gun, and molds to use in class with Shrinkets plastic, colored pencils, printed tips, and techniques sheet.

ABOUT THE INSTRUCTOR:

Internationally recognized for her work with wool, beads and body ornament. Her work has been published in various books and magazines, and has taught at various venues across the United States. Some of her work can be viewed at <https://kimvanantwerp.bigcartel.com/gallery>

You can register by mail, by email (info@lacismuseum.org), by phone, or in the museum shop.
