

EMBROIDERY FOUNDATIONS 7:

WOVEN STITCHES

Thursday, July 25 *or* Saturday, July 27 • 12:30 - 2:30 with Laura Tandeske

Fee: \$35 + \$5 optional kit fee (payable to Laura)

In this embroidery series, we will focus on stitch structure and technique. We will practice the stitches outside the confines of a design. Learn the basics of embroidery to be able to follow kit instructions easily or design our own embroideries. Beginners are welcome or experienced embroiderers who want to brush up on technique.

This class is a special edition to the Embroidery Foundations courses. In each class, you will learn the basics of each stitch family. These are stand-alone classes so you can take one, a few, or all!

MATERIALS: Please feel free to bring any supplies that you would like, such as your own **6-inch or 8-inch hoop, scissors, needle threader, cushion, hands-free system**, or anything else that would make you comfortable. The instructor will have **hoops** and **scissors** available.

INSTRUCTOR: Laura Tandeske has been embroidering for 40+ years, and specializes in Surface Embroidery. She studied Fine Art at California State University East Bay, as well as Embroidery with the Embroiderers Guild of America and the San Francisco School of Needlework and Design. Her piece “Balance” toured the United States and Canada as part of the 2-year Sixteenth National Exhibit with the Embroiderers Guild of America.

You can register by mail, by email (info@lacismuseum.org), by phone, or in the museum shop.
