

A RIBBONWORK *FOLIAGE* CLASS

FOUR LEAVES & A CALYX

Saturday, August 10 • 1:00 - 4:30 with D.L. Popplewell

Fee: \$48 + \$30 kit fee with printed paper patterns* (payable to D.L.)

*PDF-only version available for **\$15**

This is not a ribbon flower-making class. This IS a class devoted to the supporting chorus of the ribbon flower you already know (or plan to learn) how to make: the ribbon LEAF. Much ignored, the leaf is vital to the overall look of a ribbon flower creation. Four different leaves will be taught in detail, and more variations will be discussed.

In addition, the transformation of a leaf into a calyx with a stem will be taught.

SUPPLIES NEEDED: Basic sewing kit including craft scissors, needles (I prefer mid-size millinery needles), pen or pencil, chalk for marking (pins may be substituted), fray check or similar product, and any type of strong light and dark neutral colored thread.

INSTRUCTOR: D.L. Popplewell is a milliner and historical costume creator. Her main venue is the annual Dickens Faire, but you might've seen her work at the Edwardian Ball, where she's sold a wide array of historically-inspired accessories (DLP Historical Accessories!)

You can register by mail, by email (info@lacismuseum.org), by phone, or in the museum shop.
